Summary: I have one review, so I decided to continue it. Very sorry for taking so long but i had to think. I have the whole story planned out now :)

***Chapter 1*: A more golden sun**

Chapter one:How it all started

"Menardi! Hurry up would you!" Exclaimed saturos , a blue haired , blue faced man (creature) of angara"I'm coming as fast as I possibly can!" replied menardi.

"Sol sanctum is just ahead!!" saturos explained "We are only minutes from the elemental stars!"

Both of them smiled as they rose over a hill and saw the doors to the sol sanctum , rumored to have locked away the elemental stars of alchemy deep within.

****10-20 minutes later****

"At last.....the final chamber!" Saturos said. "It has to be it!" said menardi

As the two sarched the chamber, they noticed there was a staircase. They rushed down and saw some statues that's bottoms seemed to fit the sockets that were nearby. Menardi heaved one of the statues towards the socket

"S...Satu....ros! This is kinda.....HEAVY!!!!"

"Here, let me do it".....Just as saturos had pushed the statue into it's socket, the whole sol sanctum started to rumble

"Let's get going, menardi!"

"One second!!!!" she said as she picked up a psynergy stone in a nearby chamber.

the two dashed out in time to see a GIANT boulder rolling towards the town of vale.

"Saturos, we must be more aware of the traps that the sanctum has"

"yes, indeed....." Saturos said , dismissing the thought of the town beeing destroyed.

Chapter two: The hero's side of it

"Isaac...Isaac!....Wake up dear....the mount aleph boulder is about to fall.please honey, get up!"

"wha.....what did you say?" said Isaac , becoming more awake every second., as the vicioce storm outside almost knocked over the house."Come on honey, the boulder!!"

"Oh no!!" exclaimed Isaac, finnally grasping what was going on

"oh! honey , you forgot your tunic!"dora said."CATCH!" she called as a magical hand, conjured up by a power called psynergy, grabbed the tunic off the wall and handed it to Issac. As the two ran towards the exit of the door , a large rumbling noise sounded outside.

meanwhile

The elders of Vale were using a different type of psynergy, halt, to try and stop the boulder from crashing into Vale and detroying the village.

"It....is.too heavy.....We..W..ee won...t be a-a-able to ho...hold it f-f- for long!" the elders told Kyle, the father of Isaac.

Dora and Isaac dashed out of the house as Kyle came running from atop mount aleph.

"Kyle!" she exclaimed.

"there isnt much time....you have to get to the plaza!"

"No, I'm going to help you evacuate the villagers" dora told kyle.

"Isaac, can you make it to the plaza by yourself?

"No problem dad , but be careful!"And with that Issac dashed off to the plaza.

"Ung!....grunt!!....I've got to get out of here with my stuff!" Isaac heard somebody say.It was Garet!

"GARET!!!!" Isaac tryed to get Garet's attention.

"huh?"garret turned his head."Isaac , come on bud help me get my stuf out of here!"

"No way man, you'll die for sure!"exclaimed Isaac

"You know what? You're totally right my man! Stuff can be replaced, I can't!"

As the boys continued down the path, they heard screams coming from a little way off. "You'll be ok, Felix!"

"Hey, Isaac, that sounds like Jenna!"

They ran as fast as their legs could carry them to where the screams were coming from.

"Garet, what is that in the water...?" Asked Isaac, unsurely. Garet went white and his eyes widened.

"I... Isaac, Jenna's little brother is drowning!!!" Garet called to Isaac, already half way to the scene.

"Oh no!" Isaac said.
